

WOW ROCK debuts charlotte / しゃるろっと !!!

LOS ANGELES, CA- WOW ROCK in partnership with NERVE RECORDS ecstatically present Japanese Visual-entertainment sensation "charlotte / しゃるろっと" for the first time in North America!!!

In November of 2007, a Japanese "visual-kei" artist "charlotte" played a live concert in Brazil as the first Japanese rock band ever in South America. The concerts held in Rio de Janeiro and San Paulo were a huge success.

Their stunning charm as entertainers can be seen from their live performance which exudes laughter and excitement, and their catchy songs are beginning to move not just the fans of Brazil, but fans all over the World.
